Our recent application for a grant was declined as we did not fulfill the entire criteria.

5. Club Membership

We have 22 members signed up via BC.

People who have been on 3 or more rides must sign up by 30/04/2021 if they wish to participate on future rides. Riders with over 3 rides can continue to ride with the club during the signing up period.

6. Website / Forum /Social Media

People need to be encouraged to sign up to the forum as this is the only place to register for a ride.

From 01/05/2021 the Whatsapp chat group will only be available to paid members and people that have completed 1-2 rides.

7. Club Kit

The club kit is due for delivery w/c 29/03/2021

8. Rides

Club rides will resume in groups of 6 from 03/04/2021. Although BC have stated that groups of up to 15 are allowed the club, (like many of other local and regional clubs) should stick to the rule of 6 to protect each other and not raise any hostility with the public who may not be aware of the BC advice.

The Group rides will be posted on the forum as events by the main ride leaders. As the number of participants increases, calls will go out for additional ride leaders.

WINSLOW WHEELERS

WINSLOW WHEELERS CYCLE CLUB

Start times are to be staggered and different meetup zones are to be used at the Public hall car park.

As we are getting back into riding and riding with others the distances / inclines for the rides should be a little less than our usual rides.

With the increase in HGV's in the local area the ride leader must be aware of the increased risks. Details will be sent to all members via the Whatsapp (NC)
