1. Welcome

The Chairman welcomed everyone to the meeting.

2. Chairman's Report

Stewart gave an overview of the past year including the inaugural North Bikes Bike Ride which attracted over 300 riders. The Annual Cotswold Ride was again a hugely successful event. The club also held a Summer Barbeque (thanks to Henrietta), a sponsored breakfast (thanks to the The Bell Hotel) and a First Aid training Session. The importance of choosing the correct ride to suit riders ability, signing on to rides and carrying a mobile phone were also discussed.

Ride Leaders were thanked and others encouraged to help out as the club cannot function without Ride Leaders.

Thanks also to Greg for his continued sponsorship and support.

3. Secretary's Report

To date the club has 75 members which is an excellent achievement in such a short space of time.

The club has cycled 47/51 weeks. 3 weeks were cancelled due to the weather. The other was out of respect for the passing of Her Majesty the Queen.

Average 25 riders per week.

Highest attendance 06/11/2021: 37 riders.

Over 55 Cafes have been visited.

Total club miles 49,699

5. Election of Committee

The Committee stated that they would be willing to continue in their current roles.

Treasurer - Francine Van Leeuwen

General Committee - Dick Van Leeuwen

General Committee - Katie Robson

It was unanimously agreed by the members present that the current committee should continue. This was accepted by the committee members and they will continue in their rolls.

6. Guest Speaker

Our Guest Speaker was Paul Firth who gave a very interesting account of a 14 day charity ride from Leeds to Barcelona in aid of Maggie's.

7. AOB

Richard Birch raised the question that when rides are cancelled due to the weather and it was due to warm up an hour later could we delay the start of the ride. This was agreed in principle subject to Ride Leader availability and weather conditions / improvements. Decisions on rides going ahead will still be on the morning of the ride unless it is very obvious and in which case they will be cancelled at an earlier date.
